

## Core Squads Session

For today's session we'll be back to the football pitches, you can setup a track/loop of approx. 200m you could continue with the football pitch if that works best for you, but you would need to work out where 200m finishes, it would be easier for you coaches if it is just a 200m loop.

Warm-up – 15' jogging followed by drills.
